Item 1.01 Entry into a Material Definitive Agreement.**Share Purchase Agreement**

On September 9, 2022, Adit EdTech Acquisition Corp. (the “Company”) and Griid Infrastructure LLC (“GRIID”) entered into a share purchase agreement (the “Agreement”) with GEM Global Yield LLC SCS (the “Purchaser”) and GEM Yield Bahamas Limited (“GYBL”) relating to a share subscription facility. Pursuant to the Agreement, following the consummation of the Company’s previously announced merger (the “Merger”) with Griid Holdco LLC, subject to certain conditions and limitations set forth in the Agreement, the Company shall have the right, but not the obligation, from time to time at its option, to issue and sell to the Purchaser up to \$200.0 million of the Company’s shares of common stock, par value \$0.0001 per share (the “Shares”).

Sales of the Shares to the Purchaser under the Agreement, and the timing of any sales, will be determined by the Company from time to time in its sole discretion and will depend on a variety of factors, including, among other things, market conditions, the trading price of the Shares and determinations by the Company regarding the use of proceeds of such Shares. The net proceeds from any sales under the Agreement will depend on the frequency with, and prices at, which the Shares are sold to the Purchaser. The Company expects to use the proceeds from any sales under the Agreement for working capital and general corporate purposes.

Upon the initial satisfaction of the conditions to the Purchaser’s obligation to purchase Shares set forth in the Agreement, the Company will have the right, but not the obligation, from time to time at its sole discretion during the 36-month period from and after the first day on which the Shares are publicly listed on a securities exchange, to direct the Purchaser to purchase up to a specified maximum amount of Shares as set forth in the Agreement. The purchase price of the Shares that the Company elects to sell to the Purchaser pursuant to the Agreement will be 92% of the average daily closing price of the Shares during a 30-trading day period commencing with the first trading day designated in the notice delivered to the Purchaser.

In connection with the execution of the Agreement, GRIID agreed to pay to the Purchaser in installments in connection with placements of Shares under the Agreement a \$4.0 million commitment fee (the “Commitment Fee”) payable in Shares or cash, as consideration for the Purchaser’s irrevocable commitment to purchase the Shares upon the terms and subject to the satisfaction of the conditions set forth in the Agreement. Also, GRIID will be obligated to issue to the Purchaser a warrant (the “Warrant”) expiring on the third anniversary of GRIID’s public listing date, to purchase 2% of the total equity interests (on a fully diluted basis) outstanding immediately after the completion of the Merger, at an exercise price per Share equal to the lesser of: (i) the closing bid price of the Company’s Shares as reported by the New York Stock Exchange on September 9, 2022) and (ii) 90% of the closing price of the Shares on the public listing date. Additionally, pursuant to the Agreement, GRIID would be obligated to pay a private transaction fee of 1% of the total consideration paid in a private business combination transaction with a counterparty that was introduced to GRIID by the Purchaser or an affiliate of the Purchaser in the event that GRIID consummates such a transaction in lieu of the Merger or any other business combination transaction the result of which is GRIID continuing as a publicly listed company.

The Agreement contains customary representations, warranties, conditions and indemnification obligations by each party. The representations, warranties and covenants contained in the Agreement were made only for purposes of the Agreement and as of specific dates, were solely for the benefit of the parties to the Agreement and are subject to certain important limitations.

GRIID has the right to terminate the Agreement at any time, upon 90 trading days’ prior written notice. In the event GRIID terminates the Agreement at its option prior to any public listing (including as a result of the Merger) and GRIID completes a public listing within the two-year period following such termination, GRIID will be obligated to issue the Warrant to the Purchaser.

The foregoing descriptions of the Agreement and the Warrant are each qualified in their entirety by reference to the full text of the Agreement and the Form of Common Stock Warrant, respectively, which are attached to this Current Report on Form 8-K as Exhibits 10.1 and 4.1, respectively, and which are incorporated herein by reference.

Registration Rights Agreement

In connection with the Agreement, GRIID entered into a registration rights agreement (the “Registration Rights Agreement”) with the Purchaser and GYBL providing for certain registration rights relating to any Shares (including any Shares issued to the Purchaser as payment of the Commitment Fee and the Shares underlying the Warrant) issuable under the Agreement. GRIID has agreed to, among other things, file within 30 days of GRIID’s public listing date, a resale shelf registration statement covering the resale of any Shares (including any Shares issued to the Purchaser as payment of the Commitment Fee and the Shares underlying the Warrant) issuable under the Agreement.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.2, and which is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The disclosure set forth above under the heading “Share Purchase Agreement” in Item 1.01 of this Current Report is incorporated by reference into this Item 3.02. The Shares to be issued under the Agreement, including any Shares issued to the Purchaser as payment of the Commitment Fee and the Shares issuable upon exercise of the Warrant, will not be registered under the Securities Act in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act and/or Regulation D promulgated thereunder.

WARRANT TO PURCHASE
SHARES OF COMMON STOCK
OF

[]

Expires: The date that is the third anniversary of the Public Listing Date

Date of Issuance: No. of Shares:

FOR VALUE RECEIVED, the undersigned, [], a corporation formed under the laws of the State of Delaware, with an office located at 2577 Duck Creek Road, Cincinnati, OH 45212 (together with its successors and assigns, the "Issuer" and the "Company"), hereby certifies that GEM Yield Bahamas Limited ("GEM") or its assigns is entitled to subscribe for and purchase, during the Term (as hereinafter defined), in accordance with the terms of this Warrant, up to Shares, at an exercise price of \$ per Share. Capitalized terms used in this Warrant shall have the respective meanings specified in Section 8 hereof, and capitalized terms used but not defined in this Warrant have the meanings given them in the Purchase Agreement. This Warrant is issued in accordance with, and subject to, the terms and conditions of the Purchase Agreement.

1. Term. The Holder may exercise this Warrant for a period which shall commence on the Public Listing Date, and shall expire at 6:00 p.m., Eastern Time, on the date that is the third anniversary of the Public Listing Date (such period being the "Term").

2. **Method of Exercise; Payment; Issuance of New Warrant; Transfer and Exchange**

(a) Time of Exercise. The purchase rights represented by this Warrant may be exercised in whole or in part during the Term.

(b) Method of Exercise. The Holder hereof may exercise this Warrant, in whole or in part, by the surrender of this Warrant (with the exercise form attached hereto), duly executed at the principal office of the Issuer, and by the payment to the Issuer of an amount of consideration therefor equal to the Warrant Price in effect on the date of such exercise multiplied by the number of Warrant Shares with respect to which this Warrant is then being exercised, payable at such Holder's election (i) by certified or official bank check or by wire transfer to an account designated by the Issuer, (ii) by "cashless exercise" in accordance with the provisions Section 2(c) below, or (iii) by a combination of the foregoing methods of payment selected by the Holder of this Warrant.

(c) Cashless Exercise.

(i) Notwithstanding any provisions herein to the contrary, if the Per Share Market Value of one Common Share is greater than the Warrant Price (at the date of calculation as set forth below), in lieu of exercising this Warrant by payment of cash, the Holder may exercise this Warrant by a cashless exercise and shall receive the number of Common Shares equal to an amount (as determined below) by surrender of this Warrant at the principal office of the Issuer together with the properly endorsed notice of exercise, in which event the Issuer shall issue to the Holder a number of Common Shares computed using the following formula:

$$X = Y - \left(\frac{A(Y)}{B} \right)$$

Where X = the number of Common Shares to be issued to the Holder.

Y = the number of Common Shares purchasable upon exercise of all of the Warrant or, if only a portion of the Warrant is being exercised, the portion of the Warrant being exercised.

A = the Warrant Price.

B = the Per Share Market Value of one Common Share.

For purposes of Rule 144 promulgated under the Securities Act, it is intended, understood and acknowledged that the Warrant Shares issued in a cashless exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for such shares shall be deemed to have commenced, on the date this Warrant was originally issued.

(d) Issuance of Shares. In the event of any exercise of this Warrant in accordance with and subject to the terms and conditions hereof, certificates for the Warrant Shares so purchased shall be dated the date of such exercise and delivered to the Holder hereof within a reasonable time, not exceeding five Trading Days after such exercise (the "Delivery Date"), unless the Common Shares are then uncertificated, in which case the Warrant Shares shall be registered

in book-entry form in the name of the Holder, or, at the request of the Holder (provided that a registration statement under the Securities Act providing for the resale of the Warrant Shares is then in effect or that the Warrant Shares are otherwise exempt from registration), issued and delivered to the Depository Trust Company (“DTC”) account on the Holder’s behalf via the Deposit Withdrawal Agent Commission System (“DWAC”) within a reasonable time, not exceeding three (3) Trading Days after such exercise, and the Holder hereof shall be deemed for all purposes to be the holder of the Warrant Shares so purchased as of the date of such exercise. Notwithstanding the foregoing to the contrary, the Issuer or its transfer agent shall be obligated to issue and deliver the shares to the DTC on a holder’s behalf via DWAC only if such exercise is in connection with a sale or other exemption from registration by which the shares may be issued without a restrictive legend and the Issuer and its transfer agent are participating in DTC through the DWAC system. The Holder shall deliver this original Warrant, or an indemnification reasonably acceptable to the Issuer undertaking with respect to such Warrant in the case of its loss, theft or destruction, at such time that this Warrant is fully exercised. This Warrant shall be exercisable, either in its entirety or, from time to time, for part only of the number of Warrant Shares referenced by this Warrant. If this Warrant is submitted in connection with any partial exercise and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the actual number of Warrant Shares being acquired upon such exercise, then the Company shall, as soon as practicable, and in no event later than five Business Days after any exercise, and at its own expense, issue a new Warrant of like tenor representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. With respect to partial exercises of this Warrant, the Issuer shall keep written records for the Holder of the number of Warrant Shares exercised as of each date of exercise.

(e) Compensation for Buy-In on Failure to Timely Deliver Shares upon Exercise. In addition to any other rights available to the Holder, if the Issuer fails to cause its transfer agent to transmit to the Holder a certificate or certificates representing the Warrant Shares or register such Warrant Shares in book-entry form in the name of the holder, as applicable, pursuant to an exercise on or before the Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) Common Shares to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a “Buy-In”), then the Issuer shall (1) pay in cash to the Holder the amount by which (x) the Holder’s total purchase price (including brokerage commissions, if any) for the Common Shares so purchased exceeds (y) the amount obtained by multiplying (A) the number of Warrant Shares that the Issuer was required to deliver to the Holder in connection with the exercise at issue times (B) the price at which the sell order giving rise to such purchase obligation was executed, and (2) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored or deliver to the Holder the number of Common Shares that would have been issued had the Issuer timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Shares having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of Common Shares with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (1) of the immediately preceding sentence the Issuer shall be required to pay the Holder \$1,000. The Holder shall provide the Issuer written notice indicating the amounts payable to the Holder in respect of the Buy-In, together with applicable confirmations and other evidence reasonably requested by the Issuer. Nothing herein shall limit a Holder’s right

to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Issuer's failure to timely deliver certificates representing Common Shares or register such Warrant Shares in book-entry form in the name of the holder, as applicable, upon exercise of this Warrant as required pursuant to the terms hereof.

(f) Transferability of Warrant. Subject to the terms and conditions of this Warrant, including the legend set forth above and Section 2(h), this Warrant may be transferred by a Holder, in whole or in part, without the prior written consent of the Issuer, (i) at any time, to an Affiliate of the Holder, or (ii) at any time following the Public Listing Date, to any Person. Subject to the foregoing, if transferred pursuant to this paragraph, this Warrant may be transferred on the books of the Issuer by the Holder hereof in person or by duly authorized attorney, upon surrender of this Warrant at the principal office of the Issuer or its agent, as directed by the Issuer, properly endorsed (by the Holder executing an assignment in the form attached hereto) and upon payment of any necessary transfer tax or other governmental charge imposed upon such transfer. This Warrant is exchangeable at the principal office of the Issuer or its agent, as directed by the Issuer, for Warrants to purchase the same aggregate number of Warrant Shares, each new Warrant to represent the right to purchase such number of Warrant Shares as the Holder hereof shall designate at the time of such exchange. All Warrants issued on transfers or exchanges shall be dated the date hereof and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

(g) Continuing Rights of Holder. The Issuer will, at the time of, or at any time after, each exercise of this Warrant, upon the request of the Holder hereof, acknowledge in writing the extent, if any, of its continuing obligation to afford to such Holder all rights to which such Holder shall continue to be entitled after such exercise in accordance with the terms of this Warrant, provided that if any such Holder shall fail to make any such request, the failure shall not affect the continuing obligation of the Issuer to afford such rights to such Holder.

(h) Compliance with Securities Laws.

(i) The Holder of this Warrant, by acceptance hereof, acknowledges that this Warrant and the Warrant Shares to be issued upon exercise hereof are being acquired solely for the Holder's own account and not as a nominee for any other party, and for investment, and that the Holder will not offer, sell or otherwise dispose of this Warrant or any Warrant Shares to be issued upon exercise hereof except pursuant to an effective registration statement, or an exemption from registration, under the Securities Act and any applicable state securities laws.

(ii) Except as provided in paragraph (iii) below, this Warrant and all certificates representing Warrant Shares issued upon exercise hereof shall be stamped or imprinted with a legend in substantially the following form:

NEITHER THE SECURITIES REPRESENTED HEREBY NOR THE SECURITIES ISSUABLE UPON THE EXERCISE OF THIS WARRANT HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR ANY STATE SECURITIES LAWS.

SUCH SECURITIES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED ONLY (A) TO THE COMPANY, (B) IN COMPLIANCE WITH RULE 144 UNDER THE SECURITIES ACT, IF AVAILABLE, AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS, (C) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT, OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE SECURITIES ACT OR ANY APPLICABLE STATE SECURITIES LAWS, AND THE HOLDER HAS, PRIOR TO SUCH SALE, FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OR OTHER EVIDENCE OF EXEMPTION, IN EITHER CASE REASONABLY SATISFACTORY TO THE COMPANY.

(iii) The Issuer agrees to reissue this Warrant or certificates representing any of the Warrant Shares, without the legend set forth above if at such time, prior to making any transfer of any such securities, the Holder shall give written notice to the Issuer describing the manner and terms of such transfer and the conditions to transfer in this paragraph (iii) are met. Such proposed transfer will not be effected until: (a) either (i) the Issuer has received an opinion of counsel reasonably satisfactory to the Issuer, to the effect that the registration or qualification of such securities under the Securities Act is not required in connection with such proposed transfer, (ii) a registration statement under the Securities Act or state securities laws covering such proposed disposition has been filed by the Issuer with the Securities and Exchange Commission (the "Commission") and has become and remains effective under the Securities Act and the securities have been qualified under state securities laws, (iii) the Issuer has received other evidence reasonably satisfactory to the Issuer that such registration and qualification under the Securities Act and state securities laws are not required, or (iv) the Holder provides the Issuer with reasonable assurances that such security can be sold pursuant to Rule 144 under the Securities Act; and (b) either (i) the Issuer has received an opinion of counsel reasonably satisfactory to the Issuer, to the effect that registration or qualification under the securities or "blue sky" laws of any state is not required in connection with such proposed disposition, or (ii) compliance with applicable state securities or "blue sky" laws has been effected or a valid exemption exists with respect thereto. The Issuer will respond to any such notice from a holder within five Trading Days. In the case of any proposed transfer under this Section 2(h), the Issuer will use reasonable efforts to comply with any such applicable state securities or "blue sky" laws, but shall in no event be required, (x) to qualify to do business in any state where it is not then qualified, (y) to take any action that would subject it to tax or to the general service of process in any state where it is not then subject, or (z) to comply with state securities or "blue sky" laws of any state for which registration by coordination is unavailable to the Issuer. The restrictions on transfer contained in this Section 2(h) shall be in addition to, and not by way of limitation of, any other restrictions on transfer contained in any other Section of this Warrant. Whenever a certificate representing the Warrant Shares is required to be issued to a the Holder without a legend, in lieu of delivering physical certificates representing the Warrant Shares, the Issuer shall cause its transfer agent to electronically transmit the Warrant Shares to the Holder by crediting the account of the Holder or Holder's prime broker with DTC through its DWAC system (to the extent not inconsistent with any provisions of this Warrant or the Purchase Agreement).

(i) Accredited Investor Status. In no event may the Holder exercise this Warrant in whole or in part unless the Holder is an “accredited investor” as defined in Regulation D under the Securities Act.

3. Shares Fully Paid; Reservation and Listing of Shares; Covenants

(a) Shares Fully Paid; Reservation. The Issuer represents, warrants, covenants and agrees that all Warrant Shares which may be issued upon the exercise of this Warrant or otherwise hereunder will, when issued in accordance with the terms of this Warrant, be duly authorized, validly issued, fully paid and non-assessable and free from all taxes, liens and charges created by or through the Issuer. The Issuer further covenants and agrees that during the period within which this Warrant may be exercised, the Issuer will at all times have authorized and reserved for the purpose of the issuance upon exercise of this Warrant a number of authorized but unissued Common Shares equal to at least one hundred fifty (150%) of the number of Common Shares issuable upon exercise of this Warrant without regard to any limitations on exercise.

(b) Registration; Listing. If any Common Shares required to be reserved for issuance upon exercise of this Warrant or as otherwise provided hereunder require registration or qualification with any Governmental Authority under any federal or state law before such shares may be so issued, the Issuer will in good faith use its best efforts as expeditiously as possible at its expense to cause such shares to be duly registered or qualified. If the Issuer shall list any Common Shares on any securities exchange or market it will, at its expense, list thereon, and maintain and increase when necessary such listing, of, all Warrant Shares from time to time issued upon exercise of this Warrant or as otherwise provided hereunder (provided that such Warrant Shares have been registered pursuant to a registration statement under the Securities Act then in effect), and, to the extent permissible under the applicable securities exchange rules, all unissued Warrant Shares which are at any time issuable hereunder, so long as any Common Shares shall be so listed. The Issuer will also so list on each securities exchange or market, and will maintain such listing of, any other securities which the Holder of this Warrant shall be entitled to receive upon the exercise of this Warrant if at the time any securities of the same class shall be listed on such securities exchange or market by the Issuer.

(c) Covenants. The Issuer shall not by any action including, without limitation, amending the Certificate of Incorporation or the by-laws of the Issuer, or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of the Holder hereof. Without limiting the generality of the foregoing, the Issuer will (i) not permit the par value, if any, of its Common Shares to exceed the then effective Warrant Price, (ii) not amend or modify any provision of the Certificate of Incorporation or by-laws of the Issuer in any manner that would adversely affect the rights of the Holder, (iii) take all such action as may be reasonably necessary in order that the Issuer may validly and legally issue fully paid and nonassessable Common Shares, free and clear of any liens, claims, encumbrances and restrictions (other than as provided herein or under applicable securities laws) upon the exercise of this Warrant, and (iv) use its best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be reasonably necessary to enable the Issuer to perform its obligations under this Warrant.

(d) Loss, Theft, Destruction of Warrant. Upon receipt of evidence satisfactory to the Issuer of the ownership of and the loss, theft, destruction or mutilation of any Warrant and, in the case of any such loss, theft or destruction, upon receipt of indemnity or security satisfactory to the Issuer or, in the case of any such mutilation, upon surrender and cancellation of such Warrant, the Issuer will make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the number of Common Shares remaining available upon exercise of the Warrant which has been lost, stolen, destroyed or mutilated.

(e) Payment of Taxes. The Issuer will pay all transfer and issuance taxes attributable to the preparation, issuance and delivery of this Warrant (and any replacement Warrants) including, without limitation, all documentary and stamp taxes attributable to the initial issuance of the Warrant Shares issuable upon exercise of this Warrant; *provided, however*, that the Issuer shall not be required to pay any tax or taxes which may be payable in respect of any transfer involved in the issuance or delivery of any certificates representing Warrant Shares or registration of such Warrant Shares in book-entry form, as applicable, in a name other than that of the Holder in respect to which such shares are issued.

4. Adjustment of Warrant Price. The price at which such Warrant Shares may be purchased upon exercise of this Warrant and/or the number of Warrant Shares issuable shall be subject to adjustment from time to time as set forth in this Section 4. The Issuer shall give the Holder notice of any event described below which requires an adjustment pursuant to this Section 4 in accordance with the notice provisions set forth in Section 5.

(a) Recapitalization, Reorganization, Reclassification, Consolidation, Merger or Sale. In the event that the Holder has elected not to exercise this Warrant prior to the consummation of a Change of Control, so long as the Surviving Corporation pursuant to any Change of Control is a company that has a class of equity securities registered pursuant to the Securities Exchange Act of 1934, as amended, and its common shares are listed or quoted on a U.S. national securities exchange, the Surviving Corporation and/or each Person (other than the Issuer) which may be required to deliver any Securities, cash or property upon the exercise of this Warrant as provided herein shall assume, by written instrument delivered to, and reasonably satisfactory to, the Holder of this Warrant, (A) the obligations of the Issuer under this Warrant, including, without limitation, those under the Registration Rights Agreement (as defined below) (and if the Issuer shall survive the consummation of such Change of Control, such assumption shall be in addition to, and shall not release the Issuer from, any continuing obligations of the Issuer under this Warrant), and (B) the obligation to deliver to such Holder such Securities, cash or property as, in accordance with the foregoing provisions of this Section 4(a), such Holder shall be entitled to receive, and the Surviving Corporation and/or each such Person shall have similarly delivered to such Holder an opinion of counsel for the Surviving Corporation and/or each such Person, which counsel shall be reasonably satisfactory to such Holder, or in the alternative, a written acknowledgement executed by the President or Chief Financial Officer of the Issuer, stating that this Warrant shall thereafter continue in full force and effect and the terms hereof (including, without limitation, all of the provisions of this Section 4(a)) shall be applicable to the

Securities, cash or property which the Surviving Corporation and/or each such Person may be required to deliver upon any exercise of this Warrant or the exercise of any rights pursuant hereto. If following such a Change of Control, the Surviving Corporation does not have a registered class of equity securities and common shares listed on a U.S. national securities exchange as described in the first sentence of this Section 4(a), then the Holder shall be entitled to receive compensation in accordance with the terms of Section 4.13 of the Purchase Agreement.

(b) Share Dividends, Subdivisions and Combinations. If at any time the Issuer shall:

- (i) make or issue or set a record date for the holders of the Common Shares for the purpose of entitling them to receive a dividend payable in, or other distribution of, Common Shares,
- (ii) subdivide its outstanding Common Shares into a larger number of Common Shares, or
- (iii) combine its outstanding Common Shares into a smaller number of Common Shares,

then (1) the number of Common Shares for which this Warrant is exercisable immediately after the occurrence of any such event shall be adjusted to equal the number of Common Shares which a record holder of the same number of Common Shares for which this Warrant is exercisable immediately prior to the occurrence of such event would own or be entitled to receive after the happening of such event, and (2) the Warrant Price then in effect shall be adjusted to equal (A) the Warrant Price then in effect multiplied by the number of Common Shares for which this Warrant is exercisable immediately prior to the adjustment divided by (B) the number of Common Shares for which this Warrant is exercisable immediately after such adjustment.

(c) Certain Other Distributions. If at any time the Issuer shall make or issue or set a record date for the holders of the Common Shares for the purpose of entitling them to receive any dividend or other distribution of:

- (i) cash,
 - (ii) any evidences of its indebtedness, any shares of stock of any class or any other securities or property of any nature whatsoever,
- or
- (iii) any warrants or other rights to subscribe for or purchase any evidences of its indebtedness, any shares of stock of any class or any other securities or property of any nature whatsoever,

then (1) the number of Common Shares for which this Warrant is exercisable shall be adjusted to equal the product of the number of Common Shares for which this Warrant is exercisable immediately prior to such adjustment multiplied by a fraction (A) the numerator of which shall be the Per Share Market Value of Common Shares at the date of taking such record and (B) the denominator of which shall be such Per Share Market Value minus the amount allocable to one share of Common Shares of any such cash so distributable and of the fair value (as determined in

good faith by the Board of Directors of the Issuer and supported by an opinion from an investment banking firm mutually agreed upon by the Issuer and the Holder) of any and all such evidences of indebtedness, shares of stock, other securities or property or warrants or other subscription or purchase rights so distributable, and (2) the Warrant Price then in effect shall be adjusted to equal (A) the Warrant Price then in effect multiplied by the number of Common Shares for which this Warrant is exercisable immediately prior to the adjustment divided by (B) the number of Common Shares for which this Warrant is exercisable immediately after such adjustment. A reclassification of the Common Shares (other than a change in par value, or from par value to no par value or from no par value to par value) into Common Shares and shares of any other class of stock shall be deemed a distribution by the Issuer to the holders of its Common Shares of such shares of such other class of stock within the meaning of this Section 4(c) and, if the outstanding Common Shares shall be changed into a larger or smaller number of Common Shares as a part of such reclassification, such change shall be deemed a subdivision or combination, as the case may be, of the outstanding Common Shares within the meaning of Section 4(b).

(d) Other Provisions applicable to Adjustments under this Section. The following provisions shall be applicable to the making of adjustments of the number of Common Shares for which this Warrant is exercisable and the Warrant Price then in effect provided for in this Section 4:

(i) When Adjustments to Be Made. The adjustments required by this Section 4 shall be made whenever and as often as any specified event requiring an adjustment shall occur, except that any adjustment of the number of Common Shares for which this Warrant is exercisable that would otherwise be required may be postponed (except in the case of a subdivision or combination of Common Shares, as provided for in Section 4(b)) up to, but not beyond the date of exercise if such adjustment either by itself or with other adjustments not previously made adds or subtracts less than one percent of the Common Shares for which this Warrant is exercisable immediately prior to the making of such adjustment. Any adjustment representing a change of less than such minimum amount (except as aforesaid) which is postponed shall be carried forward and made as soon as such adjustment, together with other adjustments required by this Section 4 and not previously made, would result in a minimum adjustment or on the date of exercise. For the purpose of any adjustment, any specified event shall be deemed to have occurred at the close of business on the date of its occurrence.

(ii) Fractional Interests. In computing adjustments under this Section 4, fractional interests in Common Shares shall be taken into account to the nearest one hundredth (1/100th) of a share.

(iii) When Adjustment Not Required. If the Issuer shall take a record of the holders of its Common Shares for the purpose of entitling them to receive a dividend or distribution or subscription or purchase rights and shall, thereafter and before the distribution to shareholders thereof, legally abandon its plan to pay or deliver such dividend, distribution, subscription or purchase rights, then thereafter no adjustment shall be required by reason of the taking of such record and any such adjustment previously made in respect thereof shall be rescinded and annulled.

(e) **Form of Warrant after Adjustments.** The form of this Warrant need not be changed because of any adjustments in the Warrant Price or the number and kind of Securities purchasable upon the exercise of this Warrant.

5. Notice of Adjustments. Whenever the Warrant Price or Warrant Share Number shall be adjusted pursuant to Section 4 hereof (for purposes of this Section 5, each an “adjustment”), the Issuer shall cause its Chief Financial Officer to prepare and execute a certificate setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated (including a description of the basis on which the Board made any determination hereunder), and the Warrant Price and Warrant Share Number after giving effect to such adjustment, and shall cause copies of such certificate to be delivered to the Holder of this Warrant promptly after each adjustment. Any dispute between the Issuer and the Holder of this Warrant with respect to the matters set forth in such certificate may at the option of the Holder of this Warrant be submitted to a national or regional accounting firm reasonably acceptable to the Issuer and the Holder, provided that the Issuer shall have ten (10) days after receipt of notice from such Holder of its selection of such firm to object thereto, in which case such Holder shall select another such firm and the Issuer shall have no such right of objection. The firm selected by the Holder of this Warrant as provided in the preceding sentence shall be instructed to deliver a written opinion as to such matters to the Issuer and such Holder within thirty (30) days after submission to it of such dispute. Such opinion shall be final and binding on the parties hereto. The costs and expenses of the initial accounting firm shall be paid equally by the Issuer and the Holder and, in the case of an objection by the Issuer, the costs and expenses of the subsequent accounting firm shall be paid in full by the Issuer.

6. Fractional Shares. No fractional Warrant Shares will be issued in connection with any exercise hereof, but in lieu of such fractional shares, the Issuer shall round the number of shares to be issued upon exercise up to the nearest whole number of shares.

7. Ownership Cap and Exercise Restriction. Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant if the number of Common Shares to be issued pursuant to such exercise would exceed, when aggregated with all Other Common Shares owned by such Holder and its Affiliates at such time, the number of Common Shares which would result in such Holder and its Affiliates beneficially owning (as determined in accordance with Section 13(d) of the Exchange Act and the rules thereunder) in excess of 9.99% of the then issued and outstanding Common Shares; *provided, however*, that upon a Holder of this Warrant providing the Issuer with sixty-one (61) days’ notice (pursuant to Section 12 hereof) (the “Waiver Notice”) that such Holder would like to waive this Section 7 with regard to any or all Common Shares issuable upon exercise of this Warrant, this Section 7 will be of no force or effect with regard to all or a portion of the Warrant referenced in the Waiver Notice until the date that the Holder notifies the Issuer (pursuant to Section 12 hereof) that the Holder revokes the Waiver Notice; *provided, further*, that during the sixty-one (61) day period prior to the expiration of the Term, the Holder may waive this Section 7 by providing a Waiver Notice at any time during such sixty-one (61) day period.

The Company has not been refused any insurance coverage sought or applied for, and the Company has no reason to believe that it will be unable to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business.

(z) Exemption from Registration; Valid Issuances. Subject to, and in reliance on, the representations, warranties and covenants made herein by the Purchaser, the offer and sale of the Shares in accordance with the terms and conditions of this Agreement and the Transaction Documents is exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) and Rule 506 of Regulation D; *provided, however*, that at the request of and with the express agreement of the Purchaser and in accordance with applicable law, the Shares will be delivered to the Purchaser on each Settlement Date (if available at such time, via book entry through the Depository Trust Company) and will not bear legends noting restrictions as to resale of such securities under federal or state securities laws, nor will any such securities be subject to stop transfer instructions. Neither the offer and sale of the Shares pursuant to, nor the Company's performance of its obligations under, the Transaction Documents to which it is a party shall (i) result in the creation or imposition of any Liens upon the Shares, or (ii) entitle the holders of any outstanding shares of capital stock of the Company to preemptive or other rights to subscribe to or acquire Common Shares or other securities of the Company.

(aa) No General Solicitation or Advertising. Neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares.

(bb) Manipulation of Price. Neither the Company nor any of its officers, directors or Affiliates has, and, to the Knowledge of the Company, no Person acting on their behalf has, (i) taken, directly or indirectly, any action designed or intended to cause or to result in the

stabilization or manipulation of the price of any security of the Company, or which caused or resulted in, or which would in the future reasonably be expected to cause or result in, the stabilization or manipulation of the price of any security of the Company, in each case to facilitate the sale or resale of any of the Shares, or (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Shares, other than specialists, market makers or similar agents regulated by the Commission. Neither the Company nor any of its officers, directors or Affiliates will, during the term of this Agreement, and, to the Knowledge of the Company, no Person acting on their behalf will, during the term of this Agreement, take any of the actions referred to in the immediately preceding sentence, other than specialists, market makers or similar agents regulated by the Commission.

(cc) Foreign Corrupt Practices Act. None of the Company, any Subsidiary or, to the Knowledge of the Company, any director, officer, agent, employee, Affiliate or other Person acting on behalf of the Company, is aware of or has taken any action, directly or indirectly, that would result in a violation by such Persons of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (collectively, the “FCPA”), including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA. The Company has conducted its business in compliance with the FCPA.

(dd) Money Laundering Laws. The operations of the Company is and has been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “Money Laundering Laws”) and, to the Knowledge of the Company, no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company with respect to the Money Laundering Laws is pending or threatened.

(ee) OFAC. None of the Company or, to the Knowledge of the Company, any director, officer, agent, employee, Affiliate or Person acting on behalf of the Company is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”); and the Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any Subsidiary, joint venture partner or other Person, for the purpose of financing the activities of any Person currently subject to any U.S. sanctions administered by OFAC.

(ff) Acknowledgment Regarding Purchaser’s Purchase of Shares. The Company acknowledges and agrees that the Purchaser is acting solely in the capacity of an arm’s length

purchaser with respect to this Agreement and the other Transaction Documents and the transactions contemplated hereunder and thereunder. The Company further acknowledges that the Purchaser is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the other Transaction Documents and the transactions contemplated hereunder and thereunder, and any advice given by the Purchaser or any of its representatives or agents in connection with this Agreement and the other Transaction Documents and the transactions contemplated hereunder and thereunder is merely incidental to the Purchaser's purchase of the Shares.

Section 3.02 Representatives and Warranties of the Purchaser. The Purchaser and GYBL hereby make the following representations and warranties to the Company as of the Effective Date and as of the date of each Draw Down Notice and as of each Settlement Date:

(a) Organization and Standing of the Purchaser and GYBL. The Purchaser is a "société en commandite simple" duly formed, validly existing and in good standing under the laws of Luxembourg. GYBL is a limited company duly formed, validly existing and in good standing under the laws of the Commonwealth of the Bahamas.

(b) Authorization and Power. Each of the Purchaser and GYBL has the requisite corporate power and authority to enter into and perform this Agreement and the other Transaction Documents to which it is a party and to purchase the Shares in accordance with the terms hereof. The execution, delivery and performance of this Agreement and the other Transaction Documents to which it is a party by Purchaser and by GYBL and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary corporate action, and no further consent or authorization of the Purchaser and GYBL, and the Board of Directors or stockholders of either of them is required. This Agreement and each other Transaction Document to which the Purchaser or GYBL is a party has been duly executed and delivered by each of the Purchaser and GYBL. This Agreement and each other Transaction Document to which the Purchaser or GYBL is a party constitutes, or shall constitute when executed and delivered, a valid and binding obligation of the Purchaser or GYBL, enforceable against the Purchaser or GYBL, respectively, in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership, or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application.

(c) No Conflicts. The execution, delivery and performance of this Agreement and each other Transaction Document to which the Purchaser or GYBL is a party, and the consummation by the Purchaser and GYBL of the transactions contemplated hereby and thereby or relating hereto or thereto, do not and will not (i) result in a violation of such Purchaser's or GYBL's charter documents or bylaws or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Purchaser or

GYBL is a party, (iii) create or impose a lien, charge or encumbrance on any property of the Purchaser or GYBL under any agreement or any commitment to which the Purchaser or GYBL is party or by which the Purchaser or GYBL is bound or by which any of their respective properties or assets are bound, or (iv) result in a violation of any law, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to the Purchaser or GYBL or any of their respective properties, except for such conflicts, defaults and violations as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Purchaser or GYBL to enter into and perform its obligations under this Agreement or any other Transaction Document to which the Purchaser or GYBL is a party in any material respect. Neither the Purchaser nor GYBL is required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or any other Transaction Document to which the Purchaser is a party or to purchase the Shares in accordance with the terms hereof; *provided, however*, that for purposes of the representation made in this sentence, each of the Purchaser and GYBL is assuming and relying upon the accuracy of the representations, warranties and agreements of the Company herein.

(d) Accredited Investor. Each of the Purchaser and GYBL is an institutional “accredited investor” as defined in Regulation D promulgated under the Securities Act.

(e) Financial Risks. Each of the Purchaser and GYBL acknowledges that it is able to bear the financial risks associated with an investment in the Shares. Each of the Purchaser and GYBL is capable of evaluating the risks and merits of an investment in the Shares by virtue of its experience as an investor and its knowledge, experience, and sophistication in financial and business matters, and each of the Purchaser and GYBL is capable of bearing the entire loss of its investment in the Shares.

(f) Information. The Purchaser and GYBL and their respective advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Shares which have been requested by the Purchaser or GYBL. The Purchaser and GYBL and their respective advisors, if any, have been afforded the opportunity to ask questions of the Company. The Purchaser and GYBL have sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares. The Purchaser and GYBL understand that they (and not the Company) shall be responsible for their own respective tax liabilities that may arise as a result of this investment or the transactions contemplated by this Agreement and the other Transaction Documents to which the Purchaser or GYBL is a party.

(g) No-Broker Dealer. Purchaser represents, warrants and agrees that it is buying the Shares for investment purposes and not for distribution. It is not registered as a broker-dealer with the Commission and is not required to be registered as a broker-dealer by virtue of the trader exception to the definition of dealer under the Exchange Act.

(h) Compliance with Law. As of the Effective Date, the Purchaser is in compliance with all laws, rules, regulations and orders of any governmental authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be materially adverse to the Purchaser or its ability to enter into and perform any of its obligations under this Agreement in any material respect.

ARTICLE IV COVENANTS

The Company covenants with the Purchaser and GYBL, and the Purchaser and GYBL together covenant with the Company, as follows, which covenants of one party are for the benefit of the other party.

Section 4.01 Securities Compliance. The Company shall notify the Commission and the Principal Market, if applicable, in accordance with their rules and regulations, of the transactions contemplated by this Agreement and each other Transaction Document, and shall take all other necessary action and proceedings as may be required and permitted by applicable law, rule and regulation, for the legal and valid issuance of the Shares to the Purchaser and GYBL. The Company shall take such action, if any, as is reasonably necessary in order to obtain an exemption for or to qualify any subsequent resale of the Shares by the Purchaser and GYBL, in each case, under applicable securities or “Blue Sky” laws of the states of the United States of America in such states as is reasonably requested by the Purchaser or GYBL from time to time, and shall provide evidence of any such action so taken to the Purchaser.

Section 4.02 Registration and Listing. During the Investment Period, the Company will take all action necessary to cause the Shares to be registered under Sections 12(b) or 12(g) of the Exchange Act, will comply in all material respects with its reporting and filing obligations under the Exchange Act and take all action necessary to maintain compliance with such reporting and filing obligations, and will not take any action or file any document (whether or not permitted by the Securities Act) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under the Exchange Act or Securities Act, except as permitted herein. During the Investment Period, the Company will take all action necessary to effect the listing or trading of its Common Shares and the listing of the Shares purchased by Purchaser hereunder on the Principal Market or any relevant market or system, if applicable, and will comply in all respects with the Company’s reporting, filing and other obligations under the bylaws or rules of the Principal Market or any relevant market or system.

Section 4.03 Registration Rights Agreement. The Company, the Purchaser and GYBL shall enter into the Registration Rights Agreement with respect to the Shares, dated the Effective Date, in the form of Exhibit A attached hereto.

Section 4.04 Compliance with Laws.

(a) During the Investment Period, the Company shall comply in all material respects with all applicable laws, rules, regulations and orders applicable to the business and operations of the Company and with all applicable provisions of the Securities Act and the Exchange Act and the rules and regulations of the Principal Market (including, without limitation, Rule 415(a)(4) under the Securities Act).

(b) During the Investment Period, the Purchaser and GYBL shall comply in all material respects with all applicable laws, rules, regulations and orders in connection with this Agreement and each other Transaction Document and the transactions contemplated hereby and thereby. Without limiting the foregoing, during the Investment Period, the Purchaser and GYBL shall comply in all material respects with the requirements of the Securities Act and the Exchange Act including, without limitation, Rule 415(a)(4) under the Securities Act and Rule 10b-5 and Regulation M under the Exchange Act, where applicable.

Section 4.05 Keeping of Records and Books of Account. The Company shall use commercially reasonable efforts to keep and cause each Subsidiary to keep adequate records and books of account, in which complete entries will be made in accordance with GAAP consistently applied, reflecting all financial transactions of the Company, and in which, for each fiscal year, all proper reserves for depreciation, depletion, obsolescence, amortization, taxes, bad debts and other purposes in connection with its business shall be made.

Section 4.06 Limitations on Holdings and Issuances. Notwithstanding anything in this Agreement, at no time while the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act may the Company issue, and at no time shall the Purchaser be obligated to purchase, any Shares which would result in the Purchaser beneficially owning (as determined in accordance with Section 13(d) of the Exchange Act and the rules thereunder), directly or indirectly, at the time of such proposed issuance, more than 9.99% of the number of Common Shares issued and outstanding as of the date of such proposed issuance; *provided, however*, that upon the Purchaser providing the Company with sixty-one (61) days' notice (pursuant to Section 9.04 hereof) (the "Waiver Notice") that the Purchaser would like to waive this Section 4.06 with regard to any or all Shares issuable pursuant to this Agreement, this Section 4.06 will be of no force or effect with regard to all or a portion of the Shares referenced in the Waiver Notice until the date that the Purchaser notifies the Company (pursuant to Section 9.04 hereof) that the Purchaser revokes the Waiver Notice; *provided, further*, that during the sixty-one (61) day period prior to the expiration of the Investment Period, the Purchaser may waive this Section 4.06 by providing a Waiver Notice at any time during such sixty-one (61) day period.

Section 4.07 Registration Statement. The Company shall cause the Registration Statement to be filed and seek that it be declared effective pursuant to the Registration Rights Agreement. The Registration Statement shall register with the Commission the Shares to be issued under the Draw Downs and the Warrant Shares. The Purchaser shall not be obligated to accept a Draw Down

request from the Company unless the Registration Statement is then effective and the Prospectus included in the Registration Statement is then current and in compliance with all applicable rules of the Commission and the Principal Market.

Section 4.08 Other Agreements and Other Financings. The Company shall not enter into any agreement in which the terms of such agreement would restrict or impair the right of the Company or any Subsidiary to perform its obligations under this Agreement or any other Transaction Document.

(a) The Company shall not enter into any agreement, the principal purpose of which is to secure an “equity line” pursuant to which the counterparty is obligated to purchase equity of the Company from time to time similar to the financing provided for under this Agreement during the Investment Period.

(b) The Company shall provide prompt notice to the Purchaser of any Alternate Transaction. For all purposes of this Agreement, an “Alternate Transaction” shall mean (w) the issuance of Common Shares for a purchase price less than, or the issuance of securities convertible into or exchangeable for Common Shares at an exercise or conversion price (as the case may be) less than, the then-current market price of the Common Shares, respectively (including, without limitation, pursuant to any “equity line” or other financing that is substantially similar to the financing provided for under this Agreement, or pursuant to any other transaction in which the purchase, conversion or exchange price for such Common Shares is determined using a floating discount or other post-issuance adjustable discount to the then-current market price), in each case, after all fees, discounts, warrant value and commissions associated with the transaction; (x) an “at-the-market” offering of Common Shares or securities convertible into or exchangeable for Common Shares pursuant to Rule 415(a)(4) under the Securities Act; or (y) the implementation by the Company of any mechanism in respect of any securities convertible into or exchangeable for Common Shares for the rest of the purchase price of the Common Shares to below the then-current market price of the Common Shares, respectively (including, without limitation, any anti-dilution or similar adjustment provisions in respect of any Company securities, but specifically excluding customary anti-dilution adjustments for stock splits, dividends, combinations, recapitalizations, reclassifications and similar events).

Section 4.09 Stop Orders. During the Investment Period, the Company shall use its commercially reasonable efforts to maintain the continuous effectiveness of the Registration Statement under the Securities Act. The Company will advise the Purchaser and GYBL promptly: (i) of the Company’s receipt of notice of any request by the Commission for amendment of or a supplement to the Registration Statement, any related prospectus or for additional information; (ii) of the Company’s receipt of notice of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of the suspension of qualification of the Shares for offering or sale in any jurisdiction or the initiation of any proceeding for such purpose; and (iii) of the Company becoming aware of the happening of any event, which makes any statement of a material fact made in the Registration Statement (as then amended or

supplemented) untrue or which requires the making of any additions to or changes in the Registration Statement (as then amended or supplemented) in order to state a material fact required by the Securities Act to be stated therein or necessary in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, the Company will use commercially reasonable efforts to obtain the withdrawal of such order at the earliest possible time.

Section 4.10 Selling Restrictions: Volume Limitations.

(a) The Purchaser covenants that during the Investment Period neither the Purchaser nor any of its Affiliates nor any entity managed by the Purchaser will, directly or indirectly, sell any securities of the Company except the Common Shares that it owns or has the right to purchase pursuant to the provisions of a Draw Down Notice. During the Investment Period, neither the Purchaser nor any of its Affiliates nor any entity managed by the Purchaser will, directly or indirectly, effect or agree to effect any short sale (as defined in Rule 200 under Regulation SHO of the Exchange Act) of the Common Shares, whether or not against the box, establish any “put equivalent position” (as defined in Rule 16a-1(h) under the Exchange Act) with respect to the Common Shares, borrow or pre-borrow any Common Shares, or grant any other right (including, without limitation, any put or call option) with respect to the Common Shares, or do any of the foregoing with respect to any security that includes, relates to, or derives any significant part of its value from the Common Shares or otherwise seek to hedge its position in the Common Shares. In addition, during the Investment Period and on a daily Trading Day basis, the Purchaser agrees to restrict the volume of sales of Shares by the Purchaser, its Affiliates and any entity managed by the Purchaser to no more than 1/30th of the Shares purchased pursuant to any Draw Down Notice.

(b) During the Investment Period, in connection with any sale of the Company’s securities, the Purchaser and GYBL shall comply in all material respects with all applicable laws, rules, regulations and orders, including, without limitation, the requirements of the Securities Act and the Exchange Act, including, without limitation, Rule 415(a)(4) under the Securities Act and Regulation M and Rule 10b-5 under the Exchange Act, where applicable.

Section 4.11 Non-Public Information. Except as provided herein or as agreed to in advance by the Purchase and GYBL, from the Investment Period and until the later of (i) the termination or expiration of this Agreement and (ii) such time as Purchaser or GYBL no longer hold any Shares, none of the Company, nor any of its directors, officers or agents shall disclose any material non-public information about the Company to the Purchaser or GYBL.

Section 4.12 Commitment Fee; Warrant.

(a) The Company shall tender to GYBL, as a commitment fee, an amount equal to 2% of the Aggregate Limit (the "Commitment Fee"), deliverable in installments as set forth below. The Commitment Fee due upon each Draw Down may be paid in cash from the proceeds of such Draw Down or in freely tradeable Common Shares of the Company valued at the Daily Closing Price at the time of such Draw Down, at the option of the Company. The amount of the Commitment Fee due in each such installment shall be the product obtained by multiplying (i) the total amount of the Commitment Fee by (ii) the quotient derived by dividing (y) the value of Shares purchased pursuant to the applicable Draw Down by (z) the Aggregate Limit. Notwithstanding the foregoing, the Company, at its option, may pay the Commitment Fee in cash or in Common Shares (provided that such Common Shares shall have been registered for resale pursuant to an effective registration statement), so long as 100% of the Commitment Fee shall have been paid on or before the first anniversary of the Public Listing Date. For the avoidance of doubt, (1) the Commitment Fee shall be payable by the Company irrespective of whether any Draw Down Notices have been delivered by the Company in accordance herewith, and (2) no Commitment Fee shall be payable in the event that the Company does not achieve a Public Listing.

(b) On the Public Listing Date, the Company shall make and execute a warrant granting GYBL the right to purchase Common Shares, a copy of which is attached hereto as Exhibit B (the "Warrant") having an expiration date that is the third anniversary of the Public Listing Date, granting GYBL the right to purchase, upon the terms set forth more fully therein, up to the number of Common Shares that is equal to 2% of the total equity interests (including Common Shares and any other equity interests convertible or exchangeable into Common Shares or bearing equivalent economic interests) (the "Warrant Percentage") outstanding immediately after the completion of the Public Listing (including any Common Shares issued pursuant to an over-allotment option), calculated on a fully diluted basis, at an exercise price per Share equal to the lesser of lesser of (i) the closing bid price of the SPAC's common stock as reported by the New York Stock Exchange on the Effective Date, and (ii) the public offering price (in the case of an initial public offering) or 90% the closing bid price of the Common Shares on the Public Listing Date (in the case of a Public Listing other than an initial public offering (e.g. Reverse Merger Transaction)).

(c) Notwithstanding anything to the contrary stated herein, if the Purchaser determines in its reasonable discretion that the issuance of the Warrant could result in the Warrant Shares or any Shares issued to the Purchaser pursuant to a Draw Down hereunder not to be freely transferable under applicable securities Laws or otherwise adversely effects the Purchaser's ability to sell the Warrant Shares or such Shares issued pursuant to a Draw Down, then the Parties shall structure an alternative issuance and sale of Common Shares to the Purchaser that are economically equivalent to the exercise of the Warrant in full.

Section 4.13 Private Transaction Fee. In the event that the Company does not complete an initial public offering or Reverse Merger Transaction, for any reason, but instead completes a transaction, including but not limited to a merger, acquisition, sale, share exchange, or any other

private business combination with a counterparty that was introduced to the Company by the Purchaser or an Affiliate of the Purchaser, and such transaction results or would result in a Change of Control of the Company during the Investment Period (a “Private Transaction”), then the Company shall pay GYBL at or prior to the closing of such Private Transaction 1% of the total consideration received by the Company, its stockholders and management in such Private Transaction, in lieu of the Warrant.

Section 4.14 DWAC Eligibility. The Company shall use its reasonable best efforts to cause the Shares and its transfer agent to be, at the time of each Draw Down, eligible to participate in the DWAC system (“DWAC Eligible”).

Section 4.15 Reservation of Shares. During the Investment Period, the Company will have available, and shall reserve and keep available at all times, free of preemptive and other similar rights of stockholders, the requisite aggregate number of authorized but unissued Common Shares to enable the Company to timely effect the issuance, sale and delivery in full to the Purchaser of all the Shares to be issued and delivered under this Agreement, in any case prior to the issuance to the Purchaser of such Common Shares. The number of Common Shares so reserved from time to time, as theretofore increased or reduced as hereinafter provided, may be reduced by the number of Shares actually delivered pursuant to this Agreement.

Section 4.16 Amendments to the Registration Statement; Prospectus Supplements. Except as provided in this Agreement and other than periodic reports required to be filed pursuant to the Exchange Act, the Company shall not file with the Commission any amendment to the Registration Statement that relates to the Purchaser, the Transaction Documents or the transactions contemplated thereby, or file with the Commission any Prospectus Supplement that relates to the Purchaser, the Transaction Documents or the transactions contemplated thereby with respect to which (a) the Purchaser shall not previously have been advised, (b) the Company shall not have given due consideration to any comments thereon received from the Purchaser or its counsel, or (c) the Purchaser shall reasonably object after being so advised, unless it is necessary to amend the Registration Statement or make any supplement to the Prospectus to comply with the Securities Act or any other applicable law or regulation, in which case the Company shall promptly so inform the Purchaser, the Purchaser shall be provided with a reasonable opportunity to review and comment upon any disclosure relating to the Purchaser and the Company shall expeditiously furnish to the Purchaser an electronic copy thereof. In addition, for so long as, in the reasonable opinion of counsel for the Purchaser, the Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required to be delivered in connection with any sales of registrable securities by the Purchaser, the Company shall not file any Prospectus Supplement without delivering or making available a copy of such Prospectus Supplement to the Purchaser promptly. Upon receipt of an amendment to the Registration Statement or Prospectus Supplement from the Company or its counsel, the Purchaser shall promptly review such document and provide comments to the Company or its counsel regarding such document, if any, within a reasonable period of time.

ARTICLE V
CLOSING CERTIFICATE; CONDITIONS TO THE SALE AND PURCHASE OF THE
SHARES; OPINION AND COMFORT LETTERS

Section 5.01 Closing Certificate. In connection with the execution and delivery of this Agreement, the Purchaser shall receive a certificate from the Company, dated the Effective Date, in the form of Exhibit C hereto.

Section 5.02 Conditions Precedent to the Obligation of the Company to Sell the Shares The obligation hereunder of the Company to issue and sell the Shares to the Purchaser under any Draw Down Notice is subject to the satisfaction or waiver of each of the conditions set forth below. These conditions are for the Company's sole benefit and may be waived by the Company at any time in its sole discretion.

(a) Accuracy of the Purchaser's Representations and Warranties. Except for representations and warranties that are expressly made as of a particular date, the representations and warranties of the Purchaser in this Agreement and each other Transaction Document shall be true and correct in all material respects as of the date when made and as of each Draw Down Exercise Date and each Settlement Date as though made at that time.

(b) Registration Statement. The Company shall have the necessary number of Common Shares available to be registered pursuant to the Registration Rights Agreement. There shall be no stop order suspending effectiveness of the Registration Statement.

(c) Performance by the Purchaser. The Purchaser shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement and each other Transaction Document to be performed, satisfied or complied with by the Purchaser at or prior to each Draw Down Exercise Date and each Settlement Date, as applicable.

by U.S. federal or state authorities, nor shall there have occurred any material outbreak or escalation of hostilities or other national or international calamity or crisis of such magnitude in its effect on, or any material adverse change in, any financial market which, in each case, in the reasonable judgment of the Company, makes it impracticable or inadvisable to issue the Shares.

(f) No Proceedings or Litigation. No action, suit or proceeding before any arbitrator or any governmental authority shall have been commenced, and no investigation by any governmental authority shall have been threatened, against the Company or any of the officers, directors or Affiliates of the Company seeking to restrain, prevent or change the transactions contemplated by this Agreement and the other Transaction Documents, or seeking damages in connection with such transactions.

Section 5.03 Conditions Precedent to the Obligation of the Purchaser to Accept a Draw Down and Purchase the Shares The obligation hereunder of the Purchaser to accept a Draw Down and to acquire and pay for the Shares is subject to the satisfaction or waiver, at or before each Draw Down Exercise Date and each Settlement Date, of each of the conditions set forth below. The conditions are for the Purchaser's sole benefit and may be waived by the Purchaser at any time in its sole discretion.

(c) No Suspension, Etc. Trading in the Common Shares shall not have been suspended by the Commission or Principal Market, and, at any time prior to such Draw Down Exercise Date, trading in securities generally as reported on the Principal Market shall not have been suspended or limited, nor shall a banking moratorium have been declared either by U.S. federal or state authorities, nor shall there have occurred any material outbreak or escalation of hostilities or other national or international calamity or crisis of such magnitude in its effect on, or any material adverse change in, any financial market which, in each case, in the reasonable judgment of the Purchaser, makes it impracticable or inadvisable to purchase the Shares.

(d) Performance by the Company. The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement and each other Transaction Document to be performed, satisfied or complied with by the Company at or prior to each Draw Down Exercise Date and each Settlement Date and shall have delivered the Compliance Certificate substantially in the form attached hereto as Exhibit F. ARTICLE VI
DRAW DOWN TERMS

Section 6.01 Draw Down Terms. Subject to the satisfaction of the conditions set forth in this Agreement, and subject to Section 6.02 below, the Parties agree (unless otherwise mutually agreed upon by the Parties in writing) as follows:

(a) The Company may, in its sole discretion, issue a Draw Down Notice (as defined in Section 6.01(h) hereof) for a specified Draw Down Amount Requested. Subject to Section 6.01(g) below, the Purchaser shall pay a per-Share amount equal to 92% of the average Daily Closing Price during the Draw Down Pricing Period (the "Purchase Price"). Subject to Section 4.06 hereof, the Draw Down Amount Requested shall not exceed four hundred percent (400%) (the "Draw Down Limit") of the average daily trading volume for the 30 Trading Days immediately preceding the Draw Down Exercise Date.

(b) Prior to commencement of the Draw Down Pricing Period, the Company shall deliver the Shares to be purchased in such Draw Down to the Purchaser. If Shares delivered to the Purchaser prior to commencement of the Draw Down Pricing Period are delivered in certificated form and not DWAC Eligible, then the Draw Down Pricing Period shall not begin until the Shares are cleared by an appointed clearing agent.

(c) Only one Draw Down shall be allowed in each Draw Down Pricing Period.

(d) Each Draw Down shall be settled on the first Trading Day after the end of each Draw Down Pricing Period (the "Settlement Date").

(e) At the end of each Draw Down Pricing Period, the Purchaser's total Draw Down commitment under this Agreement shall be reduced by the total Draw Down Amount for such Draw Down Pricing Period.

(f) Each Draw Down will automatically expire immediately after the last Trading Day of each Draw Down Pricing Period.

(g) Each Draw Down Notice shall set forth the Threshold Price set by the Company for such Draw Down. If the Daily Closing Price on a given Trading Day in the Draw Down Pricing Period, multiplied by 0.92, is less than the Threshold Price, then the total Draw Down Amount Requested will be reduced by 1/30th, and, unless otherwise agreed by the Parties, no Shares will be purchased or sold with respect to such Trading Day and the Daily Closing Price on such Trading Day shall be excluded from the calculation of the Purchase Price. For the avoidance of doubt, any Shares delivered to, but not purchased by, the Purchaser shall be promptly returned to the Company.

(h) As a condition to the exercise of any Draw Down, the Company must (i) provide a notice to the Purchaser of the Company's exercise of any Draw Down via email before commencement of trading on the first Trading Day of the Draw Down Pricing Period covered by such notice (the "Draw Down Notice"), substantially in the form attached hereto as Exhibit E, and

(ii) pursuant to Section 6.01(b), deliver the Shares to the Purchaser or its designees via DWAC, if the Company is approved for DWAC in an amount equal to the Draw Down Amount Requested (which amount shall be adjusted in the event that the amount accepted by the Purchaser pursuant to Section 6.01(a) hereof is different than the Draw Down Amount Requested). The date the Company delivers the Draw Down Notice and the Shares in accordance with this Section 6.01(h) shall be a “Draw Down Exercise Date.” The Draw Down Notice shall specify the Draw Down Amount Requested, set the Threshold Price for such Draw Down and designate the first Trading Day of the Draw Down Pricing Period during the Draw Down Pricing Period.

(i) On the Settlement Date for each Draw Down, the Purchaser shall (i) provide the Company a closing notice in the form of Exhibit F attached hereto; (ii) make payment for the Shares acquired pursuant to this Agreement to the Company’s designated account by wire transfer of immediately available funds, *provided that* the Shares were received by the Purchaser in accordance with Section 6.01(b) hereof; and (iii) return to the Company any Shares delivered to the Purchaser in connection with the applicable Draw Down Notice pursuant to Section 6.01(b) that have not been purchased by Purchaser pursuant to the terms hereof, it being understood that Purchaser shall have the ability to sell any purchased Shares at any time following their deposit pursuant to Section 6.01(b). If the Purchaser fails to make the payment required pursuant to clause (ii) of this Section 6.01(i), then: (x) the Commitment Fee associated with the purchase of such Shares shall be deemed waived; (y) the number of shares that are subject to the Warrant shall be reduced by a percentage that is equal to the percentage of the Aggregate Limit represented by the Shares for which Purchaser failed to make payment; and (z) the Company shall, thereafter, have the right to terminate this Agreement, including termination of any obligation of the Company to pay any Commitment Fee not yet paid hereunder.

Section 6.02 Aggregate Limit. Notwithstanding anything to the contrary herein, in no event may the Company issue a Draw Down Notice to the extent that the sale of Shares pursuant thereto and pursuant to all prior Draw Down Notices issued pursuant to Section 6.01 and Section 6.03 would cause the Company to sell or the Purchaser to purchase an aggregate number of Shares exceeding the Aggregate Limit. If the Company issues a Draw Down Notice that otherwise would permit the Purchaser to purchase a number of Shares which would cause the aggregate purchases by Purchaser hereunder to exceed the Aggregate Limit, such Draw Down Notice shall be void *ab initio* to the extent by which number of Shares issuable pursuant to such Draw Down Notice, together with the number of Shares purchased by the Purchaser pursuant hereto, would exceed the Aggregate Limit.

Section 6.03 Committed Draw Down. Notwithstanding provisions to the contrary set forth in Section 6.01 above:

(a) Subject to the provisions of this Section 6.03 and the conditions set forth in Section 5.03, on or after the Committed Draw Down Date, the Company may make a written request to the Purchaser (the “Committed Draw Down Notice”), for a Draw Down for an amount up to the Committed Draw Down Amount, it being understood that Purchaser shall have no obligation to fund such Draw Down prior to the Registration Date. Any Draw Down pursuant to this Section 6.03 shall be the “Committed Draw Down”.

(b) (b) Prior to commencement of the Draw Down Pricing Period in respect of the Committed Draw Down, the Company shall transfer to the account of the Purchaser a number of Shares whose value is equal to the amount set forth in the Committed Draw Down Notice (the “Transferred Shares”) based on a per-Share price equal to the closing price of the Shares on the date immediately before the date of the Committed Draw Down Notice.

(c) The Draw Down Limit shall not apply to the Committed Draw Down. Except as provided in this Section 6.03, the procedures set forth in Section 6.01 shall apply to the Committed Draw Down, with references to “Draw Down” in Section 6.01 being replaced by references to the “Committed Draw Down.”.

ARTICLE VII TERMINATION

Section 7.01 Term, Termination by Mutual Consent Unless earlier terminated as provided hereunder, this Agreement shall terminate automatically on the earliest of (i) thirty-six (36) consecutive months from the Public Listing Date (the “Investment Period”); and (ii) the date the Purchaser shall have purchased the Aggregate Limit. This Agreement may be terminated by Company upon 90 days advance written notice to GYBL for any reason, provided that (i) in the event the Company terminates this Agreement prior to the Public Listing Date, the Commitment Fee shall be due and payable in cash by the Company to GYBL by wire transfer of immediately available funds prior and as a condition to any such termination, (ii) in the event the Company terminates this Agreement after the Public Listing Date, the unpaid portion of the Commitment Fee shall be due and payable in cash by the Company to GYBL by wire transfer of immediately available funds prior and as a condition to any such termination (and, for the avoidance of doubt, the Registration Rights Agreement and the Warrant shall remain valid), and (iii) in the event the Company terminates this Agreement before the Public Listing Date and the Public Listing Date occurs prior to the two year anniversary of such termination, then the Company shall issue to the Purchaser the Warrant on the Public Listing Date pursuant to the terms of Section 4.12(b). This Agreement may be terminated immediately at any time by mutual written consent of the Parties, effective as of the date of such mutual written consent unless otherwise provided in such written consent; *provided, however*, that this Agreement shall not terminate until the Company has delivered to the Purchaser the number of Shares required to be delivered hereunder in accordance with the terms hereof, if any.

Section 7.02 Effect of Termination. In the event of termination by the Company or the Purchaser, the transactions contemplated by this Agreement shall be terminated without further action by either party, it being understood that the Warrant and Registration Rights Agreement shall not terminate and shall continue to survive in accordance with their respective terms. If this Agreement is terminated as provided in Section 7.01 herein, this Agreement shall become void and of no further force and effect, except as provided in Section 9.09 hereof.

**ARTICLE VIII
INDEMNIFICATION**

Section 8.01 General Indemnity.

(a) Indemnification by the Company. The Company will indemnify and hold harmless the Purchaser and each Person who controls the Purchaser within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against any losses, claims, damages, liabilities and expenses (including reasonable costs of defense and investigation and all attorneys' fees) to which the Purchaser and each such controlling Person may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) (collectively, "Losses," and each, a "Loss") arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained, or incorporated by reference, in the Registration Statement relating to the Shares being sold to the Purchaser (including any prospectus relating thereto), or any amendment or supplement to it, (ii) the omission or alleged omission to state in the Registration Statement or any document incorporated by reference in the Registration Statement, a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) breach of representation, warranty or covenant of the Company contained in this Agreement or any other Transaction Document, including a failure to deliver the Shares to the Purchaser by the deadline set forth in herein, whether or not such Losses are a result of a claim by a third party. Pursuant to Section 8.02 hereof, the Company will reimburse the Purchaser and each such controlling Person promptly upon demand for any legal or other costs or expenses reasonably incurred by the Purchaser or such controlling Person in investigating, defending against, or preparing to defend against any such Loss.

(b) Indemnification by the Purchaser. The Purchaser will indemnify and hold harmless the Company, each of its directors and officers, and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against any Losses that arise out of or are based upon (i) any untrue statement, alleged untrue statement, omission or alleged omission, included in the Registration Statement in reliance upon, and in conformity with, written information furnished by the Purchaser to the Company for inclusion in the Registration Statement, (ii) the omission or alleged omission to state in the Registration Statement a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, the untrue statement, alleged untrue statement, omission or alleged omission was made in reliance upon, and in conformity with, written information furnished by the Purchaser to the Company for inclusion in the Registration Statement, whether or not such Losses are as a result of a claim by a third party or (iii) breach of representation, warranty or covenant of the Purchaser contained in this Agreement or any other applicable Transaction Document, whether or not such Losses are a result of a claim by a third

party. Pursuant to Section 8.02 hereof, the Purchaser will reimburse the Company and each such director, officer or controlling Person promptly upon demand for any legal or other costs or expenses reasonably incurred by the Company or the other Person in investigating, defending against, or preparing to defend against any such Loss.

Section 8.02 Indemnification Procedures. Promptly after a Person receives notice of a claim or the commencement of an action for which the Person intends to seek indemnification under Section 8.01, the Person will notify the indemnifying party in writing of the claim or commencement of the action, suit or proceeding; *provided, however*, that failure to notify the indemnifying party will not relieve the indemnifying party from liability under Section 8.01, except to the extent it has been materially prejudiced by the failure to give notice. The indemnifying party will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the indemnifying party acknowledges in writing the obligation to indemnify the party against whom the claim or action is brought, the indemnifying party may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. After an indemnifying party notifies an indemnified party that the indemnifying party wishes to assume the defense of a claim, action, suit or proceeding, the indemnifying party will not be liable for any legal or other expenses incurred by the indemnified party in connection with the defense against the claim, action, suit or proceeding except that if, in the opinion of counsel to the indemnifying party, one or more of the indemnified parties should be separately represented in connection with a claim, action, suit or proceeding, the indemnifying party will pay the reasonable fees and expenses of one separate counsel for the indemnified parties. Each indemnified party, as a condition to receiving indemnification as provided in Section 8.01, will cooperate in all reasonable respects with the indemnifying party in the defense of any action or claim as to which indemnification is sought. No indemnifying party will be liable for any settlement of any action effected without its prior written consent. No indemnifying party will, without the prior written consent of the indemnified party, effect any settlement of a pending or threatened action with respect to which an indemnified party is, or is informed that it may be, made a party, and for which it would be entitled to indemnification, unless the settlement includes an unconditional release of the indemnified party from all liability and claims which are the subject matter of the pending or threatened action. If for any reason the indemnification provided for in this Agreement is not available to, or is not sufficient to hold harmless, an indemnified party in respect of any loss or liability referred to in Section 8.01 as to which it is entitled to indemnification thereunder, each indemnifying party will, in lieu of indemnifying the indemnified party, contribute to the amount paid or payable by the indemnified party as a result of such loss or liability, (i) in the proportion which is appropriate to reflect the relative benefits received by the indemnifying party on the one hand and by the indemnified party on the other from the sale of the Shares which is the subject of the claim, action, suit or proceeding which resulted in the loss or liability or (ii) if that allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits of the sale of such Shares, but also the relative fault of the indemnifying party and the indemnified party with respect to the statements or omissions which are the subject of the claim, action, suit or proceeding that resulted in the loss or liability, as well as any other relevant equitable considerations.

The Company shall use its commercially reasonable efforts to have the Registration Statement or amendment declared effective by the Commission prior to the Effectiveness Deadline. Subject to Allowable Grace Periods (as defined herein below), the Company shall use reasonable best efforts to keep the Registration Statement effective pursuant to Rule 415 promulgated under the Securities Act and available for sales of all of the Registrable Securities at all times until the date as of which the Investor no longer owns any Registrable Securities (the “Registration Period”). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading. Notwithstanding anything to the contrary stated herein, in addition to any other remedies available at law or equity or as set forth herein, in the Purchase Agreement or otherwise, if (i) the Company shall have failed to file the Registration Statement by the Filing Deadline or (ii) the Registration Statement is not declared effective by the Effectiveness Deadline, in each case, for any reason or no reason, then the Company shall pay to Purchaser or its designee an amount equal to \$10,000 for each day following the Filing Deadline or Effectiveness Deadline, as applicable, until the Registration Statement has been filed with the Commission or the Registration Statement has been declared effective, as applicable.

(b) Rule 424 Prospectus. The Company shall, as required by applicable securities regulations, from time to time file with the Commission, pursuant to Rule 424 promulgated under the Securities Act, the prospectus, amendments and prospectus supplements, if any, to be used in connection with offers and sales of the Registrable Securities under the Registration Statement. The Investor and Legal Counsel shall have a reasonable opportunity to review and comment upon such prospectus prior to its filing with the Commission. The Investor shall use its commercially reasonable efforts to comment upon such prospectus within two Trading Days from the date the Investor receives the proposed final version of such prospectus.

(c) Sufficient Number of Shares Registered. In the event the number of shares available under the Registration Statement is insufficient to cover all of the Registrable Securities, the Company shall file one or more additional Registration Statements (each a "New Registration Statement"), so as to cover all of such Registrable Securities as soon as practicable, but in any case not later than thirty (30) Trading Days after the necessity therefor arises. The Company shall use its reasonable best efforts to cause each such New Registration Statement to become effective as soon as practicable following the filing thereof.

(d) Piggyback Registrations. Without limiting any of the Company's obligations hereunder or under the Purchase Agreement, if there is not an effective Registration Statement covering all of the Registrable Securities and the Company shall determine to prepare and file with the Commission a registration statement relating to an offering for its own account or the account of others under the Securities Act of any of its equity securities (other than on Form S-8 (as promulgated under the Securities Act) or its equivalent relating to equity securities to be issued solely in connection with equity securities issuable in connection with the Company's option or other employee benefit plans), then the Company shall deliver to the Investor a written notice of such determination and, if within five days after the date of the delivery of such notice, the Investor shall so request in writing, the Company shall include in such registration statement all or any part of such Registrable Securities the offer and sale of which the Investor requests to be registered.

(e) No Inclusion of Other Securities. In no event shall the Company include any securities other than Registrable Securities on any Registration Statement pursuant to Section 2(a) or 2(c) without the prior written consent of the Investor.

(f) Offering. If the staff of the Commission (the "Staff") or the Commission seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices) (or as otherwise may be acceptable to the Investor), or if after the filing of the initial Registration Statement with the Commission pursuant to Section 2(a), the Company is otherwise required by the Staff or the Commission to reduce the number of Registrable Securities included in such initial Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such initial Registration Statement (with the prior consent of the Investor and Legal Counsel as to

the specific Registrable Securities to be removed therefrom, which consent shall not be unreasonably withheld, delayed, denied, or conditioned) until such time as the Staff and the Commission shall so permit such Registration Statement to become effective and be used as aforesaid. Notwithstanding anything in this Agreement to the contrary, if after giving effect to the actions referred to in the immediately preceding sentence, the Staff or the Commission does not permit such Registration Statement to become effective and be used for resales by the Investor on a delayed or continuous basis under Rule 415 at then-prevailing market prices (and not fixed prices) (or as otherwise may be acceptable to the Investor), the Company shall promptly (but in no event later than 48 hours) request the withdrawal of such Registration Statement pursuant to Rule 477 under the Securities Act. In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall file additional Registration Statements in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the prospectus contained therein is available for use by the Investor.

3. Related Obligations. With respect to the Registration Statement and whenever any Registrable Securities are to be registered pursuant to Section 2 including on any New Registration Statement, the Company shall use its commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof notified in writing by the Purchaser to the Company in accordance with Section 4 and the Company shall have the following obligations:

(a) The Company shall prepare and file with the Commission such amendments (including post-effective amendments) and supplements to any registration statement and any prospectus and prospectus supplement used in connection with such registration statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep the Registration Statement or any New Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company covered by the Registration Statement or any New Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such registration statement.

(b) The Company shall permit the Investor to review and comment upon the Registration Statement or any New Registration Statement and all amendments and supplements thereto at least two Trading Days prior to their filing with the Commission, and not file any document in a form to which Investor reasonably objects. The Investor shall use its reasonable best efforts to comment upon the Registration Statement or any New Registration Statement and any amendments or supplements thereto within two (2) Trading Days from the date the Investor receives the final version thereof. The Company shall furnish to the Investor, without charge, any correspondence from the Commission or the staff of the Commission to the Company or its representatives relating to the Registration Statement or any New Registration Statement.

(c) Upon written request of the Investor, the Company shall furnish to the Investor, (i) promptly after the same is prepared and filed with the Commission, at least one copy of such registration statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits; (ii) upon the

effectiveness of any registration statement, a copy of the prospectus included in such registration statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request); and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor. For the avoidance of doubt, any filing available to the Investor via the Commission's live EDGAR system shall be deemed "furnished to the Investor" hereunder.

(d) The Company shall use commercially reasonable efforts to (i) register and qualify the Registrable Securities covered by a registration statement under such other securities or "blue sky" laws of such jurisdictions in the United States as the Investor reasonably requests; (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period; (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period; and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or "blue sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

(e) As promptly as practicable after becoming aware of such event or facts, the Company shall notify the Investor in writing of the happening of any event or existence of such facts as a result of which the prospectus included in any registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and promptly prepare a supplement or amendment to such registration statement to correct such untrue statement or omission, and deliver a copy of such supplement or amendment to the Investor (or such other number of copies as the Investor may reasonably request). The Company shall also promptly notify the Investor in writing (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a registration statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to the Investor by email on the same day of such effectiveness); (ii) of any request by the Commission for amendments or supplements to any registration statement or related prospectus or related information; and (iii) of the Company's reasonable determination that a post-effective amendment to a registration statement would be appropriate.

(f) The Company shall use its commercially reasonable efforts to prevent the issuance of any stop order or other suspension of effectiveness of any registration statement, or the suspension of the qualification of any Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor of the issuance of such order and the resolution thereof.

(g) The Company shall (i) cause all the Registrable Securities to be listed on each securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange; or (ii) secure designation and quotation of all the Registrable Securities on the Principal Market. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section.

(h) Upon the Investor's written request, the Company shall cooperate with the Investor to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legend) representing the Registrable Securities to be offered pursuant to any registration statement and enable such certificates to be in such denominations or amounts as the Investor may reasonably request and registered in such names as the Investor may request.

(i) The Company shall at all times maintain the services of a transfer agent and registrar with respect to its Common Shares.

(j) If reasonably requested by the Investor, the Company shall (i) immediately incorporate in a prospectus supplement or post-effective amendment such information as the Investor reasonably believes should be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as practicable after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any registration statement.

(k) The Company shall use its reasonable best efforts to cause the Registrable Securities covered by any registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

(l) Within three Trading Days after any registration statement which includes the Registrable Securities is declared effective by the Commission, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the transfer agent for such Registrable Securities (with copies to the Investor) confirmation that such registration statement has been declared effective by the Commission in the form attached hereto as Exhibit A.

(m) The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to any registration statement.

(n) Notwithstanding anything to the contrary herein (but subject to the last sentence of this Section 3(n)), at any time after the Effective Date of a particular Registration Statement, the Company may delay the disclosure of material, non-public information concerning the Company or any of its Subsidiaries the disclosure of which at the time is not, in the good-faith opinion of the board of directors of the Company, in the best interest of the Company, nor, in the opinion of counsel to the Company, otherwise required (a "Grace Period"); *provided, however,*

that the Company shall promptly, but in no event later than 9:30 a.m. (New York City time) on the second Trading Day immediately prior to the commencement of any Grace Period (except for such case where it is impossible to provide such two-Trading Day advance notice, in which case the Company shall provide such notice as soon as possible), notify the Investor in writing of the (i) existence of material, non-public information giving rise to a Grace Period (provided that in each such notice the Company shall not disclose the content of such material, non-public information to the Investor) and the date on which such Grace Period will begin and (ii) date on which such Grace Period ends; *provided, further*, that no Grace Period shall exceed 60 consecutive Trading Days, and during any 365-day period, all such Grace Periods shall not exceed an aggregate of 90 Trading Days (an "Allowable Grace Period"); *provided, further*, that the Company shall not register any securities for the account of itself or any other shareholder during any such Grace Period. For purposes of determining the length of a Grace Period above, such Grace Period shall begin on and include the date set forth in the notice referred to in clause (i) above, provided that such notice is received by the Investor not later than 9:30 a.m. (New York City time) on the second Trading Day immediately prior to such commencement date (except for such case where it is impossible to provide such two-Trading Day advance notice, in which case the Company shall provide such notice as soon as possible) and shall end on and include the later of the date the Investor receives the notice referred to in clause (ii) above and the date referred to in such notice. The provisions of Section 3(i) hereof shall not be applicable during the period of any Allowable Grace Period. Upon expiration of each Grace Period, the Company shall again be bound by the first sentence of Section 3(e) with respect to the information giving rise thereto unless such material, non-public information is no longer applicable. Notwithstanding anything to the contrary contained in this Section 3(n), the Company shall cause its transfer agent to deliver unlegended Common Shares to a transferee of the Investor in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which the Investor has entered into a contract for sale, and delivered a copy of the prospectus included as part of the particular Registration Statement to the extent applicable, prior to the Investor's receipt of the notice of a Grace Period and for which the Investor has not yet settled.

4. Obligations of the Investor.

(a) At least five Business Days prior to the first anticipated filing date of each Registration Statement, the Company shall notify the Investor in writing of the information the Company reasonably requires from the Investor in connection with any registration statement hereunder. The Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

(b) The Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of each Registration Statement hereunder, unless the Investor has notified the Company in writing of the Investor's election to exclude all of the Investor's Registrable Securities from such Registration Statement.

(c) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event or existence of facts of the kind described in Section 3(f) or the first sentence of Section 3(e), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any registration statement(s) covering such Registrable Securities until the Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(f) or the first sentence of Section 3(e). Notwithstanding anything to the contrary, the Company shall cause its transfer agent to promptly deliver Common Shares without any restrictive legend in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which an Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(f) or the first sentence of Section 3(e) and for which the Investor has not yet settled.

5. Expenses and Fees.

All reasonable expenses, other than sales or brokerage commissions, incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, FINRA filing fees (if any) and fees and disbursements of counsel for the Company, if any, shall be paid by the Company.

6. Indemnification.

(a) To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, each Person, if any, who controls the Investor, the members, directors, officers, shareholders, partners, employees, agents, advisors, representatives of the Investor and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act") (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, contingencies, costs (including, without limitation, court costs, reasonable attorneys' fees, costs of defense and investigation), attorneys' fees, amounts paid in settlement or expenses, joint or several (collectively, "Claims"), incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the Commission, whether pending or threatened, whether or not an indemnified party is or may be a party thereto, whether or not arising from a claim by a third party ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement, any New Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the any prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the Commission) or in any prospectus supplement or the omission or alleged omission to state therein any material fact necessary to make

the statements made therein, in light of the circumstances under which the statements therein were made, not misleading, (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement or any New Registration Statement or (iv) any material violation by the Company of this Agreement (the matters in the foregoing clauses (i) through (iv) being, collectively, “Violations”). The Company shall reimburse each Indemnified Person promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information about the Investor furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of the Registration Statement, any New Registration Statement, prospectus or any such amendment thereof or supplement thereto, or to the extent that such information relates to the Investor or the Investor’s proposed method of distribution of Registrable Securities and was reviewed and approved by the Investor, in each case if such if such Registration Statement, any New Registration Statement, prospectus or any such amendment thereof or supplement thereto was timely made available by the Company pursuant to Section 3(c) or Section 3(e); (ii) with respect to any superseded prospectus, shall not inure to the benefit of any such person from whom the person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any person controlling such person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, if such revised prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e), and the Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation and such Indemnified Person, notwithstanding such advice, used it; (iii) shall not be available to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); and (iv) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

(b) In connection with the Registration Statement any New Registration Statement or prospectus, the Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its directors, each of its officers who signs the Registration Statement or any New Registration Statement, each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (collectively and together with an Indemnified Person, an “Indemnified Party”), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information about the Investor furnished to the Company by the Investor expressly for use in

connection with such registration statement or to the extent, but only to the extent, that such information relates to the proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by the Investor for use in the Registration Statement, any New Registration Statement or prospectus; and, subject to Section 6(d), the Investor will reimburse any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld; provided, further, however, that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Investor as a result of the sale of Registrable Securities pursuant to such registration statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6 deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly notified, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; *provided, however*, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any

such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

(e) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7. **Contribution.** To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

8. **Reports and Disclosures under the Securities Acts**

With a view to making available to the Investor the benefits of Rule 144, the Company agrees, at the Company's sole expense, to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144;

(c) furnish to the Investor so long as the Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company that it has complied with the reporting and/ or disclosure provisions of Rule 144, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration (for the avoidance of doubt, any filing available to the Investor via the Commission's live EDGAR system shall be deemed "furnished to the Investor" hereunder); and

(d) take such additional action as is requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the

Company's transfer agent as may be requested from time to time by the Investor and otherwise reasonably cooperate with Investor and Investor's broker to effect such sale of securities pursuant to Rule 144.

The Company agrees that damages may be an inadequate remedy for any breach of the terms and provisions of this Section 8 and that Investor shall, whether or not it is pursuing any remedies at law, be entitled to equitable relief in the form of a preliminary or permanent injunction, without having to post any bond or other security, upon any breach or threatened breach of any such terms or provisions. Investor agrees that the Rule 144 rights under this Agreement are subject to the delivery by the Investor of a bona fide fair market offer for a licensing or funding opportunity pursuant to the Purchase Agreement.

9. Assignment of Registration Rights. None of the Parties may assign this Agreement or any other Transaction Document to any Person without the prior consent of the others; *provided that* without the consent of the other, (i) the Company may assign its rights and obligations under this Agreement and other Transaction Documents to the Successor Company; (ii) the Purchaser may assign its rights and obligations under this agreement to an Affiliate of the Purchaser. In the event of a Reverse Merger Transaction, the Company's rights and obligations under this Agreement shall be automatically assigned to the Successor Company, and the Parties agree that the terms of this Agreement shall be construed to give effect to such assignment, including, without limitation, that: (w) the term "Company" shall be construed as "Successor Company"; (x) the term "Shares" shall be construed as the common shares of the Successor Company; (y) the term "Public Listing Date" shall be construed as the first trading day following consummation of the Reverse Merger Transaction (in the case of clause (a) above); and (z) the term "Public Listing" shall be construed as the date of the Reverse Merger Transaction (in the case of clause (a) above). This Agreement shall be binding upon and inure to the benefit of the Parties and their successors and assigns.

10. Amendment of Registration Rights. Provisions of this Agreement may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the mutual written consent of the Company and the Investor. Failure of any Party to exercise any right or remedy under this Agreement or otherwise, or delay by a Party in exercising such right or remedy, shall not operate as a waiver thereof.

11. Miscellaneous.

(a) A Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the registered owner of such Registrable Securities.

(c) Failure of any Party to exercise any right or remedy under this Agreement or otherwise, or delay by a Party in exercising such right or remedy, shall not operate as a waiver thereof.

(d) This Agreement shall be governed by the internal laws of the State of Delaware, without giving effect to the choice of law provisions that would defer to the substantive laws of another jurisdiction.

(e) Each of the Parties hereto hereby irrevocably consents and submits to the exclusive jurisdiction of the state or federal courts with jurisdiction over Wilmington, Delaware in connection with any Action arising out of or relating to this Agreement or the Transactions, waives any objection to venue in the state or federal courts with jurisdiction over Wilmington, Delaware, and agrees that service of any summons, complaint, notice or other process relating to such proceeding may be effected in the manner provided by Section 9.04.

(f) This Agreement and the Purchase Agreement constitute the entire agreement among the Parties hereto with respect to the subject matter hereof and thereof.
